ACADEMIC PROGRAM

Lawrence Jones' academic program is designed to prepare students for success in high school and to provide the foundation necessary to exercise future academic and career options. We design our curriculum to meet the developmental and individual needs of young adolescents, and we expect our students to always do their personal best in their schoolwork. Teachers use the traditional A-F grading system to indicate student progress and effort in mastering essential learning standards. Our goal is for all students to achieve at a high level; therefore, *please note that "D" and "F" grades are not considered satisfactory.* In addition, our students benefit from a balanced program.

- Reading, writing, speaking, and academic vocabulary development is emphasized across the curriculum.
- Portions of the Health curriculum are covered in both Science and Physical Education curriculum.
- In-depth exploration in the Visual Arts and Performing Arts, Career Opportunities, and Technology is provided in enrichment offerings and across the curriculum.
- Sixth Grade Academy, Seventh, and Eighth graders who do not take band rotate through a trimester "wheel" of enrichment courses including Art, Culinary and Textile Arts, Drama, & Technology.

ACADEMIC HONESTY AND INTEGRITY

Lawrence Jones' students are expected to maintain a high level of academic honesty and integrity. Plagiarism, or claiming someone else's work as your own, is not permitted. Disciplinary action may be pursued if academic dishonesty occurs.

DONALDSON LIBRARY/INFORMATION & TECHNOLOGY CENTER

The InfoTech Center is for study, research and the use of computers.

- All books, except reference books, may be checked out for a specified amount of time.
- Overdue books and materials may result in the Loss of Privileges (e.g. attending dances).
- Lost or damaged library materials must be replaced promptly. Students are required to pay the replacement cost.
- Food and Drink are not allowed in the Library. .
- Students are expected to follow all computer lab guidelines and abide by the CRPUSD technology use

policy.

- Respect your space: push in chairs, pick up loose papers, pens, pencils, etc.; return any library materials.

FIELD TRIPS

Field trips or special off-campus activities are designed to support in-class instruction, build team spirit, improve social skills, and foster positive relationships. Students must make a satisfactory attempt to complete class and homework assignments and maintain good citizenship in order to participate in off-campus activities. Students who do not attend field trips remain on campus and will have an alternative assignment and placement. It is very important that students turn in all of their paperwork and monetary contributions on or before the stated due date.

HOMEWORK

Homework helps to prepare students for future class learning with a teacher. Homework at Lawrence Jones Middle School provides students the opportunity to:

- **Practice exercises** following classroom instruction
- **Preview activities** to prepare students for subsequent lessons
- **Extend assignments** to transfer skills or concepts to new situations
- **Integrate skills** toward the production of a creative response or a product

Our teachers coordinate the due dates of long-term assignments with their grade level team. Homework is generally not assigned on weekends and holidays, unless it is part of an on-going project. We recognize that some students may *choose* to use weekends and vacation for projects, but it is not required. Sixth graders can expect to have daily homework that *generally* does not exceed 60 minutes; seventh and eighth graders can expect to have daily homework that *generally* does not exceed 90 minutes.

Late and Make-Up Work Guidelines are set by individual teachers. Please review each teacher's syllabus.

PHYSICAL EDUCATION

CLOTHING: Students are required to dress daily for Physical Education. Standard PE clothes are required and may not be worn over street clothes. PE clothing may not be shared between students. PE clothing may only be worn during PE. Students have two options when purchasing their clothes: 1) Order LJMS logo wear from LJMS or 2) purchase a plain gray t-shirt and solid black shorts from a local retailer. Sweats are optional, but must also be solid gray. Shoes designed for athletics must be worn and tightly laced.

LABELING: T-shirts and sweatshirts must be labeled with the student's first and last name on the front and first name on the back printed in black ink.

ILLNESS or INJURY: Students needing to be excused from activity for illness or injury by their parents must have a note and will still dress and do whatever they can that doesn't make their situation worse (i.e. stretch). Any activity missed while on a parent note, must be made up in a timely manner. If the condition persists longer than 3 days, a Doctor's note is required. A Doctor's note must state all limitations and have an ending date. A copy must also be given to the main office.

LOCKERS/LOCKS: Lockers are for PE items only. Students will need to purchase a lock (or use one from a previous year at LJMS) from the school. Lock combinations and serial numbers must be entered onto a Google form. Students are responsible for their lock and if it is lost, must purchase a new one so their belongings can be kept safe. All valuables must be locked up during the PE period. Lockers should be locked overnight as well. The school is not responsible for lost or stolen items that were not secured properly. Lockers should not be shared. Locker contents should be taken home over extended school breaks.

LJMS Policy for Physical Education Suit Cuts

These steps occur within a Trimester. Administration may apply these steps judiciously.

1st Suit Cut/Non Participation	Notice of Concern
2nd Suit Cut/Non Participation	Notice of Concern, Teacher calls home

3rd Suit Cut/Non Participation	Referral (parent signature), 1 hour detention
4th Suit Cut/Non Participation	Referral, 2 hrs PE detention, admin conference (teacher calls home)
5th Suit Cut/Non Participation	Referral, 2 hrs LJMS detention, admin conference (teacher calls home)

If a student dresses out consistently for 3 weeks, they may regain a step (goes back to a lower step).

PROMOTION CEREMONY

Promotion is recognition of a student’s academic achievement and her/his school citizenship. Students who fail to meet the minimum academic requirements as set forth by the Cotati-Rohnert Park Unified School District will be considered candidates for retention. A Student Study Team (teachers, school counselor, and administrator) will review all possible retentions. Parents/Guardians are part of their child’s review. The team’s recommendation regarding the pending retention is based upon a variety of criteria including academic achievement, standardized test scores, number of "F" grades, maturity, attendance history, previous retention, and other factors. Promotion is based upon the judgment of the Principal after consultation with the Student Study Team and/or Cotati-Rohnert Park USD Education Services Assistant Superintendent as to whether the student has sufficient academic, emotional, or social skills to make reasonable progress at the next grade level.

Eighth grade students must meet the following eligibility requirements in order to participate in the Lawrence Jones Middle School promotion ceremony and related end-of-the-year promotion activities:

PROMOTION TO NINTH GRADE is based upon the student’s completion of the eighth grade curriculum, state standards, and State/District assessments. According to administrative regulation at the end of eighth grade, a student who fails a combined total of four or more subjects on the first and second trimester report cards risks losing the privilege of attending the LJMS promotion ceremony and/or promoting to the ninth grade. This means that a student must achieve a grade of at least a D in a minimum of fifteen of their total classes for the first, second and third trimester report cards.

NOTE: In order to participate in the EIGHTH GRADE PROMOTION ACTIVITIES at the end of the year, a student must earn satisfactory grades in achievement beginning with the first report card. The specific requirements are outlined below:

OTHER REQUIREMENTS:

- Tardies to class influence a student's citizenship grade.
- Students must be clear from all financial obligations to the school. If a student owes money for books, they will receive a notice of financial obligation and not a certificate of promotion at the ceremony. The certificate of promotion will be given to the student once the financial obligations are fulfilled.
- Any case that involves special circumstances may be reviewed by administration.

THE 8TH GRADE PROMOTION CEREMONY will be held on the day before the last day of school. Additional promotion ceremony information will be provided at the beginning of May. As you make plans for the promotion ceremony, please remember that this is an important ceremony-students should be nicely dressed and the school dress code is in effect—no spaghetti straps or strapless dresses, oversized pants, etc.—see School Dress Code section for more details.

REPORT CARDS

The school year at Lawrence Jones is divided into trimesters. All report cards are available through Powerschool during the school year. Between report cards, progress report grades are available on Powerschool 5-6 weeks into the new trimester. Individual teachers may choose to send home more frequent grade reports.

TEXTBOOKS/SUPPLIES

Students may be issued textbooks. These textbooks are the responsibility of the student until returned. Textbooks and materials must be returned at the end of the year, or when a student transfers to another school. Any student who does not return, damages textbooks or other materials (such as computer equipment) will be charged replacement costs. Students are encouraged to come to school with basic school supplies and a backpack.

You can help your child be prepared for school by making sure that they have their daily school supplies, which

may include:

- a 3 ring binder, pocket dividers, composition books or a notebook loose leaf binder paper
- a pouch with pencils (mechanical pencils preferred) and pens (black and blue ink), a red pen, highlighters
- colored pencils (**no permanent markers**- these are not allowed on campus and will be confiscated)
- a sturdy backpack to carry their school items
- a charged, district-issued device

*Please see individual syllabi for subject-specific supply requirements.

ATTENDANCE POLICIES

Good attendance is the first step to school success. **When students miss school, they miss valuable learning.** Lawrence Jones Middle School follows state and CRPUSD District attendance policies. When your student is absent, you **must** call the attendance line 707-284-2040 (english), 707-285-0185 (spanish) and notify the office of your child's absence. All absences must be cleared within 72 hours after a student returns to school. Regular attendance is defined as 80% attendance rate or more with no more than 3 unexcused absences for the school year. The following is a shortened version of the attendance policy and is offered as a guideline.

ABSENCES

ABSENCES FOR PERSONAL REASONS: We understand that family emergencies are inevitable. Please call or come in to talk with an administrator or counselor as soon as possible to have these absences approved. The following are justifiable: family emergencies, court appearances, religious holidays or instruction.

EXCLUSION FROM SCHOOL:

State law requires that children be excluded from school for these reasons:

- Contagious health problems
- Lack of immunizations

EXCUSED ABSENCES: Excused absences include illness, medical/dental appointments, funeral of immediate family, and quarantine. We cannot legally excuse absences for vacations, shopping trips, caring for younger siblings, visiting a parents' work site, etc; these absences will be recorded as an unexcused absence.

EXTENDED ABSENCES: If a student is going to be absent for a long period of time, please contact their school counselor to discuss options. If your student is going to be absent for a long period of time it is the responsibility of the parent and student to communicate with their teacher

MEDICAL VISITS: If a student has an appointment with a dentist, orthodontist, doctor, etc., please provide a slip from the medical office stating the time of the appointment and the time the student left the appointment to return to school. This slip is needed for the absence to be excused.

UNEXCUSED ABSENCES: Any absence not excused under the first two areas must be marked and reported as unexcused. Common unexcused absences include oversleeping, car problems, or absences simply not explained to school staff. Unverified absences are unexcused and may turn into class cuts.

CLASS CUTS

CLASS CUTS: Class cuts occur when a student is late or absent from class 15 minutes or more without a pass. This offense results in a disciplinary action for each period cut. Excessive cuts may result in being added to the Loss of Privilege list

OUT OF CLASS PASSES: Passes are an official **acknowledgment** by the teacher or staff person granting permission for temporary absence. For example, if a student visits a counselor and misses their next class, the absence is excused.

TRUANCY

By state law, three unexcused absences result in a student being declared a truant.

3 OR MORE UNEXCUSED ABSENCES: Any student who has 3 instances in a single school year of unexcused absences or tardies in excess of 30 minutes during the school day without a valid excuse is legally truant. A truancy letter is sent home alerting the family to the problem.

5 CONSECUTIVE SICK DAYS: If a student must miss five (5) consecutive school days due to illness, a doctor's note will be required upon returning to school.

ILLNESS DAY LIMITS: If a student is absent 14 or more days during the school year, a doctor's note will be required for any subsequent absence. If a doctor's note is not turned in, the absence may be unexcused.

TRUANCY LETTERS: Truancy letters are sent out for any student who accrues 3 or more unexcused absences. Each additional unexcused absence, after the third, results in a truancy letter being sent. After the second truancy letter, parents/guardians are required to meet with school administration. A third truancy letter culminates in a School Attendance Review Board (SARB) hearing at the district level, with possible referral to the District Attorney.

SART: A **S**ite **A**ttendance **R**eview **T**eam occurs when there are more than 2 unexcused or more than 4 total absences. This is an intervention to help problem-solve the absence issue before the case is referred to SARB.

SARB: The **S**tudent **A**ttendance **R**eview **B**oard consists of representatives from supporting community agencies including the Police department and county services. SARB may refer cases to the District Attorney for action.

Students who are absent from school are not allowed to attend any after school event on campus the day of the absence. This includes but is not limited to: sporting events participation, dances, plays, club events or being a spectator of a sporting event without previous permission from Administration.

TRANSFERRING TO A NEW SCHOOL: Parents must inform the new school that the student attended LJMS. The new school will make the request to Lawrence Jones for Records. Visits to new schools are excused if arranged in advance with the registrar.

TARDIES

Arriving at school and to each class on time is necessary for academic success and for developing positive habits for the future. Being on time also lessens disruptions to the classroom and the education of other students. The only legitimate excuses for tardiness or absences are sickness, doctor or dental appointments, death of a family member, court appearances, or family emergencies. We also make allowances for late buses. We need to work together to prioritize student learning and promptness in coming to school.

Consequences for Tardies to First Period:

- First Tardy= Warning
- Second Tardy= Call home to parent
- 3rd – 5th Tardy= Detention
- Excessive Tardies (more than 6)=
 - Parent supervised campus clean-up or Saturday School
 - Loss of Privilege list (See Loss of Privilege list in handbook pg. 11)

Consequences for Tardies to 2nd-6th Period

- First Tardy= Call home to parent
- 2nd-5th Tardy= Detention
- Excessive Tardies (more than 6)=
 - Parent supervised campus clean-up or Saturday School
 - Loss of Privilege list (See Loss of Privilege list in handbook pg.11)

Consequences for all Tardies will start over each trimester.

BEHAVIOR & DISCIPLINE

JAGUAR CITIZENSHIP

In an effort to encourage and reward positive citizenship in our students, students will receive grades for citizenship. Citizenship grades are viewable through the PowerSchool application in Class Link. At the beginning of each trimester, every student starts with *satisfactory* citizenship. Throughout the trimester, students that exemplify outstanding citizenship may earn an *outstanding* citizenship grade. However, students that are not behaving respectfully or responsibly may earn a citizenship grade of *unsatisfactory* or in extreme cases may earn a *needs improvement*. This system is intended to provide students immediate and gradual feedback with respect to their overall citizenship and behavior. We believe that students learn from mistakes, and this feedback on those mistakes will assist in the learning of acceptable behaviors. This also provides parents and students with a quick and understandable gauge of how a student is performing as a LJMS citizen. We encourage conversations between students and families regarding positive citizenship. LJMS offers positive rewards, known as Jag Paws, for exceptional displays of good citizenship. Students can earn rewards and celebrations as they consistently earn citizenship grades of satisfactory or outstanding.

Students earning two or more "needs improvement" or "unsatisfactory" in their classes may not be eligible to participate in any extra-curricular or co-curricular school activity until the student improves their citizenship grades in the classes of concern. When a student is suspended from school, their citizenship grade will be reported as "unsatisfactory". When a student receives a truancy notice, their citizenship grade will be reported as "unsatisfactory".

Disciplinary action may be taken as is deemed appropriate, per California Education Code 48900 and 48915, to maintain a safe and productive learning environment.

We encourage all parents to login to CRPUSD Class Link and PowerSchool to access their child's current citizenship grades. Instructions and passwords are passed out during Cornerstone week. If you did not receive this information, please contact us.

CITIZEN GRADE PROCEDURES

Students must earn the privilege of attending dances, participating in after-school activities, and attending class field trips throughout the year. Satisfactory citizenship grades are required for eligibility for all campus and extra-curricular activities. The following standards apply:

Extra-Curricular: Sports/extracurricular activities. Students must be in good standing. They must not have received any truancy notices, must not have outstanding detention hours or owe fines, and must maintain satisfactory or better citizenship grades in 5 or more classes in the preceding official grading period. A grading period is defined as the officially scheduled report card or progress report card.

Co-curricular (Trips): Students are permitted to participate if they have been adhering to school discipline and safety guidelines for the 15 days prior to the scheduled trip.

Ideas to improve your citizenship grade:

- Parent Signature returned
- Completing all assignments in a week
- Random act of kindness
- Helpful to substitute
- Class job performed during school day
- Volunteer to be a peer tutor at lunch or after school
- Plus, you can earn Jag Paws!

Positive citizenship that students initiate:

- Before school, after school or lunch jobs in the classroom: organize books, clean, dust, wash lab equipment, catalog or inventory class materials
- Students can work in the library before school and during lunch- they just need to sign up with the Library Technician.
- Voluntary campus beautification (litter pick-up)

- Students work with the Assistant Principal on Tuesday or Thursday after school, students need to bring a parent note for permission to work from 3:00-4:00pm. Work session needs to be scheduled with the Assistant Principal at least 24 hours in advance.

To regain satisfactory citizenship status, a student must first approach the staff member who reported their citizenship is unsatisfactory or needs improvement.

Citizenship grades may only be given by LJMS staff members doing LJMS approved or sponsored activities.

BEHAVIOR EXPECTATIONS

Students are expected to demonstrate positive behavior at school and behave appropriately on their way to and from school. We recognize that these skills are being learned, and that mistakes will happen. When these mistakes occur, depending upon the severity of the problem, a student may be verbally reminded, removed from the class or activity, have parents involved in a formal conference, lose privileges, or be progressively disciplined. We believe that these are opportunities for teaching and learning. We work with students to recover from mistakes, as mistakes are a vital part of learning. Students are expected to use appropriate behavior at all school-sponsored events, including dances, and field trips and will be held accountable for any infractions. The guide below outlines expected behaviors for the different locations students encounter during their day.

DISCIPLINE POLICY

Discipline policies and procedures are structured to support students to become better citizens, and to protect the educational and human rights of the students and staff at LJMS. For minor offenses, staff first works with students to alter misbehavior. Parents are contacted and expected to assist their children and work with the school by becoming involved at an early stage. If a student repeatedly violates a school rule or if the misbehavior is serious, the student will be referred for disciplinary intervention. Disciplinary interventions are progressive following an established order. First occurrence, and/or minor offenses receive lesser consequences, while repeat or severe offenses receive greater consequences. Minor intervention consequences include conferences with administrators and parents, detention, community service and possible Loss of Privilege (see LOP list). Major interventions include, but are not limited to, Loss of Privilege (see LOP list), class and/or campus suspensions. If major or repeated offenses occur, expulsion may be recommended. Incidents that occur off-campus that are school-related may involve school disciplinary actions. Additionally, some offenses may result in the involvement of the police.

DISCIPLINARY INTERVENTIONS

- **Verbal Redirect:** In most situations, this is the first step to correct an inappropriate behavior.
- **Time Out:** Teachers and staff may remove students from an activity or lesson to refocus the student upon return to class.
- **Referrals to Office:** Staff may refer students to the office for repeated or more substantial offenses for action.
- **Conference with Student:** Student meets formally with an administrator or counselor to discuss offenses and solutions.
- **Conference with Parent:** A formal meeting is held between the parent, the student, and appropriate school staff where the inappropriate behavior is defined; previous efforts to correct the behavior are reviewed; and future strategies to change the behavior are discussed and agreed upon. A contract may be created to summarize these findings.
- **Contracts:** Contracts define what offenses have occurred, the behaviors that must be followed, and outline possible consequences (e.g. loss of school privileges) and rewards given the student's success or failure in following the contract.
- **Conflict Resolution:** Students may request a meeting with other students to resolve problems or conflicts. Administrators and Counselors often hold conflict resolution meetings to develop student skills in de-escalating conflicts and finding resolution. Conflict Resolution does not preclude the possibility of disciplinary action.
- **Class Suspension:** Teachers, campus supervisors, or other authorized staff members may remove a student from a classroom or 'free time' activity for up to two days. Students may be sent out of the classroom on a referral to the office.

- **Restitution (Work Detail):** Students may be assigned to work detail during their lunch period or after school. Restitution may be assigned as an intervention.
- **Detention:** Detention is held weekly. In detention students study the definitions of our LJMS Cornerstones, this is the only assignment permitted unless authorized by attending Campus Supervisor.
*Students should bring their lunch to lunch detention and arrive within the first 10 minutes of lunch. Attending a teacher's workshop may **not** be substituted for detention.
- **After-School Detention:** Detention is held after school. In detention, students are required to sit quietly, and read or work on assignments. Attending a teacher's workshop may **not** be substituted for detention.
- **Parent Notification:** Parents are notified of detention, class suspension or suspension by either a phone call or a written referral given to the student when he/she receives a detention.
- **Failure to Serve:** Failure to serve an assigned detention results in **additional** disciplinary action, which may include school suspension.

BULLYING/CYBERBULLYING Board Policy 5131.3

CRPUSD strives to provide a safe school environment that allows all students equal access and opportunities in the district's academic and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, harassment, intimidation, and bullying of any student based on the student's actual race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.

Prohibited discrimination, harassment, intimidation, or bullying includes physical, verbal, nonverbal, or written conduct based on one of the categories listed above that is so severe and pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

LAWRENCE E. JONES BULLYING / INTERVENTION PROCEDURE

REPORT IT: Any person that has been a victim of, or witnessed bullying / harassment on school grounds, during school activities, or going to and from school is highly encouraged to report the incident immediately to a counselor, administrator, or other adult personnel on campus. Students have an option of reporting the incident anonymously through the STOP!t app on their cell phone (middle school & high school) or by simply handing in a letter, or written note, to the school office.

INVESTIGATION: The principal or designee shall promptly investigate all complaints of bullying / harassment. The student who filed the complaint shall have an opportunity to describe the incident, present witnesses and other evidence of the bullying / harassment, and put his/her complaint in writing. Within 10 school days of the reported incident, the principal or designee will review their findings with the parties involved, unless circumstances dictate that more time is needed to conduct a thorough investigation. If more time is needed to complete the investigation, the parties will be notified of the reason for extension. If it is determined that bullying / harassment did occur, the principal or designee will state what interventions and corrective action was taken to address the bullying / harassment and prevent any further incidents in the future. If the student is in disagreement with the outcome of the investigation, an appeal can be filed at the Department of Student Services located at 7165 Burton Avenue, Rohnert Park, CA 94928.

TRANSFER REQUEST: A child that has been reported as a victim of a violent offense or bullying as defined by state law is entitled to transfer to another school within or outside the District, under California Education Code 46600(b). Placement at a requested school is contingent upon space availability. Transfer requests can be obtained at the Department of Student Services located at 7165 Burton Avenue, Rohnert Park, CA 94928.

Steps taken to correct/ intervene with bullying:

- Conflict resolution with a counselor or Assistant Principal.
- A *NO BULLY Solution Team* series of meetings
- Official warning to the student engaged in bullying.
- If the bullying continues, then the student will be placed on a behavioral contract, and may be suspended and parents will be contacted.
- If the bullying persists, the bully will be suspended, hold an administrative hearing, and Rohnert Park Public Safety may be contacted if they already have not been.
- If the bullying is continued then the student will be recommended for expulsion.

CELL PHONES AND OTHER ELECTRONICS

We discourage students from bringing any valuable electronic devices to school because of the possibility of damage, loss, or theft. Lawrence Jones Middle School can not and does not assume responsibility for such devices. Due to the disruption of the learning process; student use of cell phones is allowed *only* when school is over for the day, or under the explicit direction of teachers to help facilitate the learning process, this "explicit direction" by the teachers only occurs in the classroom. Until the school day is over, cell phones are not permitted for student use anywhere on campus; this also means cell phone use is not permitted before school.

Cell phones must be turned off and put away before school, during normal school hours, including break, lunch,

and between classes as well as some school functions (ex. field trips). During class time phones and their accessories must be in backpacks (not in clothing pockets) unless being used for instructional purposes with teacher permission. The same policy applies to ear buds, iPods, MP3, and other such players. Classroom use of these devices *is not* allowed and will result in the devices being confiscated and returned only to a parent or guardian. Students may also face disciplinary consequences for class disruption and lack of cooperation. All electronic games must be left at home. No recording devices are permitted unless prior administrative approval is given. Due to confidentiality issues, **NO** recorded image and **NO** pictures of the LJMS campus, teachers or students are to be posted to social media or the Internet electronically, or texted or transmitted in any way without administrative approval. The breaking of this policy will result in suspension. There should be no pictures or video taken on campus without expressed staff approval.

DRESS CODE & GROOMING STANDARDS

Lawrence Jones Middle School is an educational institution. A neat, clean appearance supports appropriate behavior and academic success. We expect students to dress accordingly. Any clothing that interferes with the business of teaching or learning is unacceptable. **Student attire and grooming must permit the student to participate in learning without posing a risk to the health or safety of any student or school district personnel.**

- Shoes are required at all times (no slippers).
- Clothing that could be considered insulting/offensive, or that contains sex/drug/violence related messages is NOT allowed.
- Clothing must cover the body from shoulder to mid thigh. No underwear or undergarments may be visible at any time. Clothing may not be see-through. Shirts must have straps.
- Pajamas may ONLY be worn on designated spirit days.
- We expect that students wear warm clothing on cold days. **Blankets are not permitted** on campus.

If you are unable to meet the dress code expectations, we will support you in getting appropriate clothing for school and contact your parents. School disciplinary actions may be taken for repeat or egregious offenses.

** The administration retains the sole discretion to make the final determination whether clothing, jewelry, accessories and/or appearance meet acceptable standards. This policy may be updated during the school year as guidelines/requirements change.*

Schools must be safe and supportive of learning. The following is a list of prohibited items but it is not an exhaustive list.

Students are not permitted to chew gum anywhere on campus. Food is only allowed in the quad and in the MU. The covered picnic tables in the quad are a "sitting only area." This is to facilitate a relaxing lunch area like the MU. Students are not to take food past the white lines. Students must eat in assigned eating areas and are expected to dispose of all trash properly.

Sale of food and other items:

- No student shall sell anything or bring anything to sell during the school day.
- School organizations may sell food or other items by special arrangement with food services at designated times.
- Large quantities of food, candy or beverages are not to be brought to school unless it is for an approved school

event. Items are subject to confiscation or disposal.

SCHOOL SAFETY

Students should conduct themselves in such a manner that is safe and promotes a positive environment. Students should never run unless it is part of a PE activity or unless they are participating in a supervised game at lunch. No rough play or fake fighting is permitted. Students are expected to pass through the hallways in a calm, respectful, and safe manner.

CLOSED CAMPUS POLICY

INJURY OR ILLNESS AT SCHOOL

All injured/ill students are sent to Student Services. In case of serious accident or injury, emergency services will be called to administer medical aid and parents will be notified. A district nurse is available part-time to supervise hearing and vision tests, maintain records and other matters. We do not have a full-time nurse at Lawrence Jones, but a district nurse is on-call at all times.

STUDENT MEDICATION

All medication (prescription or over-the-counter) needed by students during the school day must be in its original container and given to office staff to dispense the medication as the doctor prescribes. An Authorization for Medication Administration form ([English and Spanish](#)) must be on file in the office before any medication can be given. Students may be allowed to self-administer inhalers, epipens, or glucometers to monitor, test, or treat an existing medical condition in Student Services only with a completed Contract for Self-Carry form ([English and Spanish](#)).

STUDENT ACTIVITIES

AFTER-SCHOOL SPORTS

- Academic Eligibility Requirements: In order to be academically eligible to participate in extracurricular activities, a student must have earned at least an overall 2.00 grade point average on a 4.00 grading scale for credits attempted in the trimester immediately preceding the season. The grades and GPA from the Trimester Report Card OR Official Progress Report Card immediately preceding the sports season determine academic eligibility, or a cut-off period as determined by Administration.
- Behavior and Citizenship Eligibility: The administration may revoke a student's eligibility for participation in extra/co-curricular activities when a student's poor citizenship/behavior is serious enough to warrant loss of this privilege. The administration shall determine the duration of the revocation when a student has committed a suspendable offense. This citizenship expectation includes representing LJMS honorably at games and in the community. We expect Lawrence Jones athletes to exemplify the best sportsmanship and behavior at all events.
- Attendance Requirements: In order to be eligible to participate in a game or a practice, a student must be in school for a minimum of four periods the day of the activity. If the game or practice is scheduled for a holiday or weekend, the student must be in school for a minimum of four periods on the last day of required attendance prior to the event. NOTE: The principal or designee may waive this requirement, but the absences must be for an acceptable reason. The waiver must be obtained prior to the absence.
- Academic Eligibility Requirements For High School Sports (for Rising 9th Graders): Students interested in participating in high school sports must be academically eligible and have earned at least an overall 2.00 grade point average on a 4.00 grading scale for credits attempted at the end of the student's eighth grade year and must have demonstrated good citizenship and behavior.

BIRTHDAYS AND CELEBRATIONS

Birthdays are special days and need to be celebrated after school. The following items are not permitted to be delivered or brought to school, as they are distracting to the learning environment and can promote exclusionary behavior. If these items appear on campus, they will be confiscated and held in the office until after school and will only be released to a parent or guardian.

- Balloons and flowers
- Pizzas, cupcakes, cakes, or large quantities of food/beverage/candy, etc. Education Code does not allow such items on campus until 30 minutes after school.

Students are not to bring large quantities of candy or other treats for distribution to others. Due to state law, our food service is responsible for the nutritional intake of LJMS students ½ hour before school until ½ hour after school. **Lawrence Jones does not permit students to bring energy drinks to school.** Food delivery for groups of students, by parents or third parties, is not permitted. Regardless of all students receiving free meals, families should still complete the Household Income Form and return it to the school site. If a parent wants to bring their student a food delivery, the student may eat in the office or at the picnic tables in the front of the school WITH their parent.

LOCKERS

School lockers are only available for Physical Education use. Students are to purchase a school combination lock for \$7. All students are responsible for the lock that they purchase at the beginning of the school year and must purchase a new lock from their instructor if the lock is lost or damaged. LOST AND FOUND

Students must assume responsibility for loss or damage to any personal property left in a classroom or on campus. **The school is not responsible for personal property.** Found articles should be taken to the office and placed in the lost and found. Students should write their names on all books, backpacks, jackets and other personal belongings. Students should not bring valuables or large amounts of money (more than \$5.00) to school.

STUDENT ID / STUDENT BODY CARDS

Student ID cards serve as identification and for Food Services' point of sale for school meals. School pictures are taken during August Orientation and the photo is placed on the card. Each student should carry his/her ID card at school and present it upon request. If an ID card is lost, duplicates may be purchased in student services for \$5.00.

STUDENT USE OF SCHOOL PHONE

Our school office is a place of business. **Only with office staff permission** may students use the office telephone. Students will be called over the PA system during break and lunch to pick up any item that has been brought such as messages, lunches and forgotten items. STUDENT RECOGNITION

HONOR WEEK

Our students gain honor as they mature in their personal attitudes, demonstrate ethics and wisdom in their actions, and develop perseverance and excellence in their studies. Lawrence Jones takes great pride in the academic and civic excellence that our students and staff demonstrate every day. The Honor Program includes activities throughout the year that develop student awareness of community issues, engage students in service projects, and prepare students to be responsible leaders and stewards of our future. Our Honor Assemblies and the Honor Award Badges recognize the academic and civic accomplishments of our students and staff.

At Lawrence Jones, we are proud of our students. Every day, our students commit themselves to expanding their minds, building skills, strengthening their bodies and deepening their wisdom. Our students are the heart of our school. They take care of each other, helping out friends and family in need, volunteering in our classrooms and in our communities. Middle school is a precious time for self-discovery and growth.

Lawrence Jones Middle School is dedicated to celebrating and honoring the dreams and accomplishments of our students. After the end of each trimester, LJMS holds an Honor Week to recognize the contributions and achievements of our students. During Honor Week, grade level assemblies are held to confer awards for Scholarship, Citizenship, Community Participation, and Service. Students are also nominated by their peers for special acts of integrity, compassion, and grace.

Award Recipients are granted Honor Badges for their achievement. Honor Badges are symbols of a student's great work and citizenship. They are collected by students throughout their time at Lawrence Jones, becoming a tribute to the many experiences and growth that their middle school career offered. Honor Badges are worn for official representation of Lawrence Jones, Honor Assemblies, and during promotion held at the end of the 8th grade school year.

Student recognition at Lawrence Jones is a cohesive and comprehensive program that recognizes students and staff, and celebrates the LJMS Cornerstones that define our school: Integrity, Perseverance, Discovery and Service. We frequently recognize and celebrate achievement and citizenship at LJMS. On a daily basis, all adults watch for and reward students demonstrating positive behavior with our Jag Paws, which are used in daily prize drawings. We hold Honor Assemblies during our Honor Week that is held two weeks after the end of each trimester. Each certificate a student is awarded at the Honor Assembly corresponds to a badge that represents the award earned. Badges are free of charge and students can display these badges on an honor stole during the 8th grade promotion ceremony.

TRANSPORTATION

Transportation to and from school is the responsibility of the student/parent. Sonoma County Transit System bus stops are located close to the school. Schedules are located in the school office, [online](#) or at the Rohnert Park branch of the Sonoma County Library. Due to frequent congestion in school parking areas, especially on rainy days, alternative means of transportation are encouraged (i.e., car pools, buses, bicycles, skateboards, scooters, walking, etc.). Students must secure their transportation in the bike rack area. (See BICYCLES)

BICYCLES and OTHER ALTERNATIVE TRANSPORTATION

Bicycles, skateboards, and scooters must be kept in the school bicycle area during the day. Students must walk their transportation into the bike area and secure it with a lock. For after-school safety, students are to walk their bikes, scooters or skateboards off campus to the city sidewalk- then they may ride these items. **We require students riding any alternative transportation to school to wear helmets. Note that state law also requires a protective bike helmet.** All safety and traffic rules are to be followed by students. This includes riding bicycles in the direction of traffic in bicycle lanes, if provided, and crossing at designated intersections appropriately. Citations are issued to students who do not ride or walk safely, and riding privileges may be revoked. Transportation should be locked individually (with a lock provided by the student)--not locked with another bicycle, for example. Students and parents assume total responsibility for lost, damaged or stolen transportation.

BUSES

High standards of behavior on buses need to be maintained at all times for the safety of all. Bus drivers have complete authority over pupils riding the bus. Students are expected to follow all bus rules and procedures. The bus driver may recommend suspension from the bus for any student who fails to comply with bus rules and safety requirements.

PARKING LOT/AUTO SAFETY

Traffic can be difficult and frustrating before school, after school and after school-wide events. Drivers who do not follow traffic laws, are in a rush, not watching out for pedestrians or are not considerate of other drivers exacerbate our traffic situation. We need everyone's help to avoid creating dangerous situations and additional congestion. Please obey all traffic signs and laws when approaching and entering our school's student drop off and pick up areas. Children's safety is at stake. Please be alert and patient. Parking in Red Zones is dangerous as it is an official fire lane. These areas are fire lanes that must be kept open, and RP Public Safety may ticket drivers stopping in these areas. Some specific guidelines are:

- All vehicles must stop when the crossing guard enters the crosswalk; this includes not making any right-hand turns.
- Students may not exit or enter vehicles while the vehicle is in a vehicle lane. You must pull over to the curb before letting a student out of the vehicle.
- Pedestrians are to walk—not run—in the crosswalks, remain within the crosswalk and look both ways before crossing. If there is a crossing guard, pedestrians need to wait until told by the crossing guard to begin crossing.
- Students arriving at school by car should be dropped off in the designated parent drop zones located on our frontage road, in front of the Lawrence E. Jones Theater, or the front of the school by the gym.
- **Dropping off or picking up students in the parking lot is unsafe. If you park in the lot to pick up your child, please exit your vehicle and escort your child to and from the front of the school.**
- When driving in the school traffic loop, please keep to the right so other drivers can pass you.
- Please be considerate of other drivers and avoid blocking traffic.
- Limos are not permitted to be on our campus or driveway/ parking lot.
