

# What is MSPABA?

The **Middle School Performing Arts Booster Association**

is a non-profit organization made up of parents and teachers who are dedicated to cultivating a quality middle school music program in Rohnert Park.

# What does MSPABA do?

Every year our program helps to supplement exciting music events such as Music in the Park, elementary school tours, fundraising events, school concerts, and the annual Spring Gym Jam.

**MSPABA** also helps with repairs and purchasing new band instruments.
