Richard Crane Elementary School Accountability Report Card Reported Using Data from the 2016-17 School Year Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

School Description: Richard Crane Elementary is a year-round school with a population of approximately 147 students located the C section of the Cotati Rohnert Park Unified School District. Richard Crane was reopened in the 2017 -2018 school year. All instruction is based on the Common Core Standards. Behavioral expectations are focused on using the Lifeskill. These expectations are modeled, taught and reinforced. Monthly assemblies recognize students who demonstrate positive student behavior. School wide procedures and expectations provide a safe and orderly learning environment. To help ensure all students are successful academically, physically, socially and emotionally we support our students by focusing on effective first instruction, our Response to Intervention program, Walk To Read, mindfulness, and by teaching the Second Step Program school wide. Richard Crane is focused on creating a school culture that is caring and safe to take risks so students are ready to learn. We are building partnerships with Rancho Cotati High School, our school community, as well as our larger community. Richard Crane's PTA plays a vital role in engaging parents, students and teachers as we work together to enrich our students' experiences through supporting programs and activities. The funds raised through the PTA has enabled us to offer Drama Club, a School-wide play, Big-4, school assemblies and community building Family Fun Nights. In addition, the PTA has purchased robotic sets, recess and PE equipment for our students. Our Cougar Cub pride can be seen everyday throughout our campus.

Vision: Our vision at Richard Crane Elementary is to provide a rich educational environment where all students are fully engaged in their learning. We believe it is critical for elementary school students to excel academically, emotionally socially and physically in order to grow into thriving students. These foundational beliefs are implemented into the teaching and learning our for students and define our school community. "A community where students are nurtured and empowered to excel as lifelong learners."

Mission: At Richard Crane Year Round Elementary School we are focused on meeting the unique needs of every student. We established practices that support the learning of the whole child to enable students to reach their learning potential. Through project based learning (PBL) and experiential activities, students explore the real work by thinking critically, collaborating, creating and communicating their understanding through a variety of methods. When our students move on to middle school, they will be empowered to succeed at high levels.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Prior to the reopening of our school, Richard Crane was completely remodeled. A new kindergarten building was built to house our Tk and K students. The kindergarten bathrooms are ADA compliant and accessible to all the kindergarten students within the building. The other school buildings were remodeled. Windows with shades were installed to let in natural light. Motion sensor lights were installed to provide adequate lighting for optimum working conditions. Classrooms are equipped with new ducts for heating and air conditioning, furniture, technology, sound field systems, telephones, carpet, paint, and roofs. All bathrooms are ADA compliant. Prior to open all emergency alarms, fire extinguishers and water systems were tested to ensure they were in proper working condition. All new playground structures were installed. All safety and maintenance requested are dealt with in a timely manner to ensure the safety of our staff and students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Mathematics (grades 3-8 and 11)						

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total	Number	Percent	Percent
	Enrollment	Tested	Tested	Met or Exceeded
All Students				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores

Science (grades 5, 8, and 10)									

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

• Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade	Percent of Students Meeting Fitness Standards					
Level	Four of Six Standards	Five of Six Standards	Six of Six Standards			

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

As a new school, Richard Crane has focused on building a strong community and providing opportunities for parent involvement. Parents are encouraged to participate in the classroom and with all school activities. Communication is an important aspect in assisting parents to become and stay involved in our community. Teachers communicate with families via various classroom apps and emails. As a school we let families know what is happening thorough our school and PTA Facebook pages and twitter page. A monthly newsletter is sent out to parents along with updates from the school and PTA. Parents are considered partners in our school community and are encouraged to participate.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Dete		School		District			State

Suspensions				5.5	5.2	5.5	3.8	3.7	3.6
Expulsions				0.2	0.2	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2017-18)

The Richard Crane Safety Plan was developed with the staff and site council. It was adopted by the Site Council on September 21, 2017. The plan covers such topics as: child abuse reporting procedures, disaster procedures, suspension policies, school-wide discipline plan, and other topics required by ed code. Every room is supplied with an emergency backpack and emergency procedures chart. The school staff and parent group work together to implement and practice our disaster plan. Safety drills are practiced on a monthly basis.

Professional Development (Most Recent Three Years)

Professional Development in the Cotati-Rohnert Park Unified School District targets research-proven best practices. In additional to two days of training provided outside of the student instructional year, teachers have numerous opportunities to develop as professionals through district-sponsored trainings offered through release time and on regularly scheduled professional development dates. The elementary schools have four afternoons per month for professional development.
