# University Elementary School School Accountability Report Card Reported Using Data from the 2016-17 School Year Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <a href="http://www.cde.ca.gov/ta/ac/sa/">http://www.cde.ca.gov/ta/ac/sa/</a>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <a href="http://www.cde.ca.gov/fg/aa/lc/">http://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <u>http://dq.cde.ca.gov/dataquest/</u> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2017-18)

We are a Transitional Kindergarten through fifth grade elementary school. The mission of our school is to establish, expand and sustain an environment that is safe and enables every student to attain a high level of academic achievement as determined by state and national standards. Students are empowered to become active, curious, creative, and effective thinkers through hands on experiential learning opportunities and project based learning. Our school is committed to delivering a support system to assure these outcomes.

# A. Conditions of Learning

## **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

## Year and month in which data were collected: September 1, 2017

All students in the Cotati-Rohnert Park USD have sufficient instructional materials in all core subject areas including foreign language. Health standards are addressed in other district courses/classes i.e., Physical Education, biology, etc. A complete list of textbooks/instructional materials and their years of adoption is available for viewing through the Instructional Services Department.

## **B. Pupil Outcomes**

## **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

# CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)							
Subject	Sch	ool	Dist	trict	State			
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17

Mathematics (grades 3-8 and 11)	42	53	29	31	36	37		

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## CAASPP Test Results in ELA by Student Group

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	40	40	100	47.5
Male	14	14	100	35.71

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
Female	26	26	100	53.85

White	17	17	100	58.82
Two or More Races				
Socioeconomically Disadvantaged	18	18	100	61.11
English Learners	12	12	100	33.33
Students with Disabilities				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (---) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	40	40	100	52.5
Male	14	14	100	50
Female	26	26	100	53.85

## CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The achievement level percentages are calculated using only students who received scores.

# CAASPP Test Results in Science for All Students Grades Five, Eight, and Ten

	Percent of Students Scoring at Proficient or Advanced								
Subject	School		Dist	trict	State				
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16			
Science (grades 5, 8, and 10)									

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

## **State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

• Pupil outcomes in the subject areas of physical education.

## California Physical Fitness Test Results (School Year 2016-17)

Grade	Percer	nt of Students Meeting Fitness Star	ness Standards		
Level	Four of Six Standards	Five of Six Standards	Six of Six Standards		

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

## **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

## **Opportunities for Parental Involvement (School Year 2017-18)**

Parents are regularly involved in UELF as volunteers, field trip members, PTA leaders and members, School Site Council, English Language Advisory Committee, and co-educators. Our project based learning (PBL) curriculum is driven by inquiries and parents participate by co-teaching, gathering materials, coordinating guest speakers, and also acting as an authentic audience for our PBLcelebrations, wherein students showcase what they learn.

## **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### **Suspensions and Expulsions**

#### **Professional Development (Most Recent Three Years)**

Professional Development in the Cotati-Rohnert Park Unified School Districts targets research-proven best practices. In addition to three days of training provided outside of the student instructional year, teachers have numerous opportunities to develop as professionals through district-sponsored trainings offered through release time and on regularly scheduled professional development dates. The elementary schools have two afternoons per month for professional development. The district is in the process of transitioning to the Common Core State Standards so these professional development days support this transition. One day each month targets English language arts and one day targets mathematics. At the secondary level, a similar structure is in place for professional development in English language arts and mathematics and department teams taking leadership for implementing training in other content areas. The district also hosts monthly "think tank" meetings for general and special education teachers for training and coordination of the district's response to instruction and intervention and learning center programs. Professional coaching in implementation of effective reading instruction is provided to every elementary and middle school English language arts teacher on at least a quarterly basis. Data coaching meetings are held for interested 1st through 12th grade teachers following each benchmark assessment. One of our district mottos is "learning for a lifetime" and we promote adult learning as prerequisite to continuous school and district improvement.
